

**MANY CLR PRO® PRODUCTS ARE EPA SAFER CHOICE CERTIFIED,
WHICH CAN BE USED TOWARDS LEED STATUS.**

SAFER CHOICE CERTIFICATION

The EPA's label for safer chemical-based products, recognizing the product as a safer alternative to traditional harsher chemicals.

Key Requirements:

- Full Ingredient Disclosure
- On-site audits on manufacturing facilities
- Product performance testing
- Meets toxicity standards for environmental and human hazards

EARN LEED POINTS WITH SAFER CHOICE.

The U.S. Green Building Council LEED V4 Standard lists Safer Choice certification under the Existing Building and Operations Management (EBOM) green cleaning section. Existing buildings can earn points toward their LEED status by purchasing and using products with the Safer Choice label!
