Erase Away

Extra Durable Erasers

Work Like Magic!

Make a great impression with your customers & employees by freshening up the surfaces around your business.

Made with the same melamine foam as the original eraser, the Erase Away's water-activated microscrubbers get into the grooves of the outer layer of surfaces to lift away marks, dirt, grime, grease, soap scum and more.

Features & Benefits

- ✓ **MADE WITH THE EXACT SAME GRADE MELAMINE** as the national brand eraser.
- ✓ **EXTRA DURABLE CLEANING ERASER** made with high-density melamine foam to tackle your toughest messes and lasts longer than the original melamine sponges.
- ✓ **UNIQUE EZ-GRIP DESIGN MAKES IT EASIER** to hold the sponge when removing marks.
- ✓ **EASILY CLEAN CORNERS & CREVICES** with the straight edge of the EZ-GRIP design
